

FAUSTINA ACADEMY

Tuition PROGRAM 2009-2010

Although its very existence depends upon each family making the maximum possible financial contribution, the school intends, to the extent possible, to make the education it offers available to all who desire it. Accordingly, financial aid is available on a need basis.

Those wishing to request financial aid must **complete the attached form in full and submit it with a copy of your 2007-08 tax form, and all required copies in a sealed envelope to the Principal.** All information submitted will be kept strictly confidential. **Initial _____**

As part of the financial aid package, **you and your family are required to participate 100% in all fundraising activities (ie: minimum amount of tickets per student needs to be sold or the average per family needed must be paid).** **If you are granted financial aid, and you do not participate in the fundraising activities, the financial aid may be discontinued and tuition payments will then be expected.** We have a cap on financial aid, we will distribute the financial aid on a needed basis and a commitment from you to help cover the cost in other ways, such as fundraising is essential. **Initial _____**

Families will be informed of Financial Aid grants promptly. These will take the form of a reduction in monthly tuition payments.

FAUSTINA ACADEMY admits students without regard to their race, color, national or ethnic origin. The ACADEMY does not discriminate on the basis of race, color, national or ethnic origin in the administration of its educational policies, admissions policies, scholarship and loan programs, athletic and other school-administered programs, or in its employment of faculty and administrative staff.

You must submit all forms and W-2 records no later than February 29th to be considered. Also – registration fees cannot be waived, but must be paid by February 13, 2008. If we are not able to grant your financial aid request, and as a result you cannot attend Faustina Academy, your registration fees will be refunded to you.

(We know that the above information is confidential. We need to gather the above information for proper assessment. Please provide as much information as you can. Incomplete forms cannot be evaluated.)

Please note: As stated above, the school has a cap on financial aid. We will evaluate thoroughly all of your financials and let you know the decision by mail. If you are given assistance you will also be sent a financial aid contract that you will be obliged to follow. The contract will include that you participate 100% in all fundraisers. Also, that you commit to volunteering your time when assigned. Financial aid is given one academic year at a time. We re-evaluate at the end of each year.

If the above contract is not fulfilled, we may withdraw the financial assistance.
